OBJECTIVE

Motivated and enthusiastic Computer Application student seeking to leverage technical skills in Python, JavaScript, and web development in a challenging role. Currently pursuing hands-on experience as a Full Stack Web Development Intern, with a strong foundation in data structures, algorithms, and problem-solving. Eager to contribute to innovative projects while continuously learning and growing in a collaborative environment.

EDUCATION

Bachelor of Computer Application (BCA)

Amrita Vishwa Vidyapeetham | 2025 - 2028 (Expected)

Higher Secondary (12th)

SMT K.L. Tiwari College | 2024

Secondary (10th)

Claridges High School | 2022

WORK EXPERIENCE

Full Stack Web Development Intern

Bireena Infotech | March 2026 - Present

TECHNICAL SKILLS

Programming & Development: Python, HTML, CSS, JavaScript

Tools & Technologies: Git, GitHub, PostgreSQL, VS Code, Jupyter Notebook, Canva

Core Competencies: Data Structures & Algorithms (learning), Web Development (learning), Problem-solving

SOFT SKILLS

- Analytical problem-solving and quick learner
- Strong collaboration & communication skills with effective time management for aggressive learning goals

PROJECTS

Python Mini Project

Technologies: Python

A curated collection of console-based Python applications demonstrating core programming fundamentals and problem-solving skills. Features multiple independent projects with clean, structured code emphasizing readability, error handling, and reusability. Each project includes comprehensive documentation and usage instructions, showcasing practical implementation of data structures and algorithms.
